Shabbat of a Lifetime

At Amiel Tours we believe that one of the best ways to get to know a culture and its traditions is within a home hospitality environment, such as Shabbat of a Lifetime.

Shabbat of a Lifetime is a unique program offering people from all faiths to experience an authentic Shabbat evening with a host family living right in the heart of Jerusalem. The program gives an opportunity to witness the historic Western Wall as it is filled with thousands of devotees, participate in ancient Jewish traditions and dine on home-made traditional Jewish foods during your visit to the Holy Land.

- With Shabbat of a Lifetime your clients will:
- Discover the Biblical significance of Jerusalem to the Jewish people and learn about the history and importance of the Western Wall.
 - Experience the Western Wall on Friday night with time for reflection during the most special time of the week
 - Observe and understand the diversity of worshipers who gather at the Western Wall and learn about the unique prayers that welcome the Shabbat
 - Participate in a traditional Shabbat dinner with a family at their home while feasting on a variety of home-made cuisine from nine different Jewish communities around the world.

The program takes approximately 4.5 hours, and can accommodate individuals and groups (up to 150 people).
