

Israel...land of milk, honey and...Wine!

” Israeli wines have become very popular and famous around the world. Each bottle connects ancient Israel with the Israel of today, joining the dots of land and people, history and religion. An Israeli wine is the very spirit of the country and its finest ambassador ”

Adam Montefiore, Wines of Israel

Think Wine!

Think Israel! Think Amiel!

Adir Winery

At the heart of the **Upper Galilee region**, along the slopes of **Admon Mountain**, is an inspiring family winery that has raised the standard of Israeli wine to a whole new level. Adir winery produces high quality wines that are a true reflection of what Israeli wines have become.

Golan-Heights winery

It all began thousands of years ago when the first wild vines flourished in the **Golan Heights** region; it quickly became clear that nature endowed the **Golan Heights** with wonderful grape growing potential.

Kishor

Nestled in the hills of the **Western Galilee** lies the Kishor winery. The vineyards and the winery are an integral part of **KISHORIT VILLAGE**— a unique home for people with special needs. Members of this inspiring village are actively involved in the production and marketing of the wines.

Bazelet HaGolan

The rich and fertile basalt soil, the particular local climatic conditions and the meticulous natural production process are the secrets of the **Bazelet HaGolan Winery**, located in the foothills of the **Golan Heights**.

Amphora

Amphora Winery is located in a natural forest area on the western slopes of the **Carmel Mountain** range. The winery invites you to taste their acclaimed wines in a tranquil and inspiring setting.

Flam Winery

We invite you to sit back and celebrate with Flam their fine wines while enjoying the breathtaking views of the **Judean hills** countryside.

Bravdo

We invite you to a dream setting...among the beautiful vines, glass in hand, wine waiting to be tasted... Tasting and talking about wine with like-minded enthusiasts is pleasurable enough, but doing so within the vineyard makes the wine taste even better.

Yatir

The Yatir region, located in the southern tip of the **Judean Hills**, has a rich and fascinating history of wine production. Yatir Winery is a testament to a wine industry over 3000 years old, dating back to the first reign of the kings of Judah.
